“BUY AMERICA REQUIREMENTS” in force for this project”: YES NO

Los Angeles Engineering, Inc. (LAE) is requesting sub-bids / quotes from qualified subcontractors and suppliers, including certified DBE's, DVBE's, UDBE's, MBE's, WBE's, SBE's and OBE's. Subcontractors must be licensed in accordance with California License Laws and must also meet the project insurance requirements as well as the minimum requirements of LAE. In accordance with California Public Contract Code Section 4108 amended January 1, 1992, all subcontracts will be awarded on LAE's standard subcontract form and will be requirement to provide a Payment and Performance Bond from a T-listed surety for any subcontract agreements in excess of \$100,000. We will pay bond premium up to 1.5% of the bid amount. A copy of our standard subcontract form can be obtained by contacting the Estimator listed above. Los Angeles Engineering, Inc. will not include any Subcontractor's proposal as an attachment to our subcontract agreement. Special Language, including exclusions and qualifications as part of proposals and quotations, must be submitted 24 (twenty-four) hours prior to bid opening for Los Angeles Engineering, Inc. to consider.

All subcontractors will be required to sign our standard subcontract form. This form can be viewed on our website, @ www.laeng.net. Plans, Specs and Addendums can also be found at www.laeng.net, going to the Subcontractor tab and selecting the job referenced above.

Plans and specifications are available for review in our office at 633 N. Barranca Avenue, Covina, CA
Please contact our estimator in advance of your visit.
